**SEMCO™**  
WINDOWS  DOORS

Please use the following grayscale screen,  
Pantone® color and process ink combination when  
reproducing the “S” inside the box.

Grayscale: 50% Black

Pantone Ink: #1815c

Process Mix #1815c: 91mM/100Y/51K

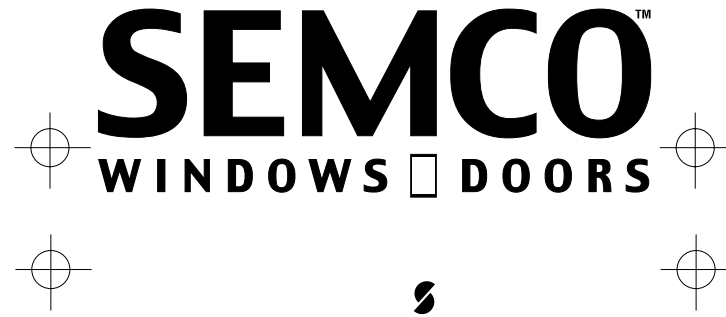

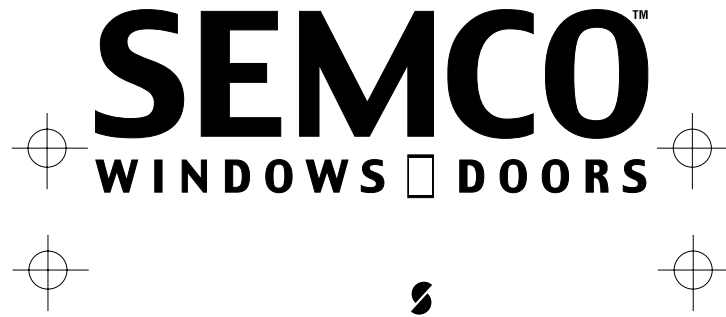

The text and box around the “S”  
will always reproduce in 100% Black.

## Logo Usage Guidelines

Thank you for properly representing Semco™ Windows & Doors.

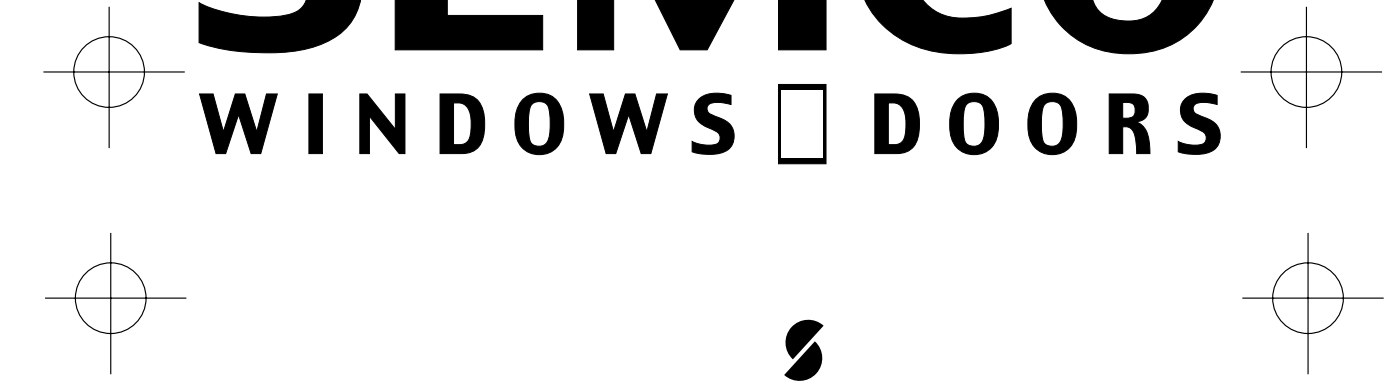

- The Semco logo consists of both the name “Semco™” and the second line “Windows & Doors” and must always appear as shown. Please use only the logos and standards on this sheet to reproduce the Semco logo.
- In text applications the first usage of the name “Semco” must have the “™” mark and “Windows & Doors” copy following it: “Semco™ Windows & Doors”

It's always a good idea to check with the Semco marketing department regarding questions on logo reproduction.
